

February 2008

Dear Youth Leader:

Summer will soon be here and that means it's time for "**Kilimanjaro/Kingdom Secrets**" **Centrifuge Camp 2008**. Make plans now to attend. The Centrifuge experience is unlike any week of camp your youth have experienced. Hundreds of youth from around the northwest will come together to renew friendships, meet new friends, be challenged from God's word, learn some new skills, spend hours having fun together as a youth group and with God. This is the Centrifuge experience and it's for all junior high and senior high students (**must have finished the 6th grade**).

Since 1979 Centrifuge has been providing the best in youth camps. What started out as a few weeks of camp turned into a youth ministry movement. Since those humble beginnings over 1,000,000 people have experienced the Fuge family of camps. The Centrifuge staff does most of the work so that you and your other youth leaders are free to deepen your relationship with both your students and God.

The Centrifuge experience includes small-group youth Bible study, team-building recreation, powerful worship, and great camp-wide fellowships. Come and see why people say Centrifuge is not just a camp, but a life-changing experience.

This summer **Centrifuge will only be held in one location in the northwest during the week of July 7-12, 2008**. The location is **Riverview Bible Camp** located near Cusick, WA north of Spokane. Riverview is a premier camp with many amenities. Log on to www.riverviewbiblecamp.com to see for yourself. Complete cost for the week is **\$280 per person**. A **\$50 deposit** is due with registration. The remaining balance of **\$230 per person** is due at camp time (**this cost is for both campers and sponsors**). We believe you will find this to be the most rewarding investment one could make. We try to work as hard as possible to keep your expense down, while ensuring a quality camp experience.

(SEE OTHER SIDE)

Riverview Camp will hold a maximum of 400 campers. Because this is our only Centrifuge Camp in the northwest this summer if you want to solidify your chances of a spot I recommend you register early. Only send deposits of students you have received deposits from and add numbers as necessary! You can cancel a registered student up to **June 16th**. **After June 16th your \$50 deposit is nonrefundable but transferable.** Secure commitments as early as possible and we will do our best to accommodate any changes you might need to make. We expect a full camp. **REGISTRATION FOR CAMP WILL CLOSE JUNE 24TH.**

Remember you will need at least one sponsor of the same sex for every five campers. They must be **21 years of age**. Occasionally we will make an exception and appoint a **Junior Sponsor, high school graduate-age 20**) if there is a very responsible adult that will stay in the same cabin giving supervision to the Jr. Sponsor. Try your best to enlist your adult sponsors early.

Choosing sponsors is very important to the church. Because safety is one of our main concerns, we want to advise you strongly to choose sponsors who love youth and will be a positive influence in their lives. It is extremely important you know that sponsors have no history of child abuse (background checks strongly advised) **because the church is liable for allowing such persons to serve as sponsors**). Please refer to the enclosure **SPONSORS INFORMATION FOR CENTRIFUGE** for Qualifications, Duties, and Daily Schedule.

As soon as we receive your registration, we will send you registration confirmation letter, camp information and other information you will need to prepare your campers and sponsors of what to wear, bring, etc. **Please make sure you review this information and bring everything that is suggested for each person.**

Please make a copy of your registration form to keep for your records. We look forward to seeing you this summer at Centrifuge! So until then let's get ready to **"FUGE"**!

Let's Fuge!

Danny Kuykendall

PS Even though the registration deadline is **June 24th, please call in your estimated numbers no later than June 6th.** This allows the Centrifuge staff to provide the proper size team.

Enclosed you will find a REGISTRATION FORM, PROMOTIONAL FUND RAISING IDEAS, AND SPONSORS INFORMATION FOR CENTRIFUGE. We believe this information will be helpful to you as you make plans to attend. **To download Centrifuge logos & promotion posters go to www.fuge.com and click on Centrifuge.**
