STUDENT CONFERENCE 2020

Dear Youth Leader,

On **April 24 & 25, 2020** Northwest Baptist youth, friends, and youth leaders will gather for our annual **NWBC Student Conference**. This event for junior and senior high youth and sponsors will be held at **Pathway Church** in Gresham, Oregon.

I am excited to announce our featured speaker this year will be **NICK PERSON** from Nashville, Tennessee. Nick was born and raised in the ATL aka, Atlanta, GA. He loves when people get it about the gospel. He loves spending time with his family and shopping for cool kicks and hats. He truly is honored to be a part of all that God is up to through New Vision, the church he is on staff at outside Nashville.

Our worship band this year is the COMMON PLACE. They are a gifted, band that will do an outstanding job leading. You'll be excited to meet them all in person at the conference! Check them out at <http://www.thecommonplacepdx.com/tcp-music>

Our **Late Night Fun** this year we will be different than past years. Being lead by the craziness of Matt, Audrey and Jason. Be ready for fun, games and give-aways.

The cost for this year's conference will be **\$50 per person**. This includes conference fee, Saturday lunch and Friday *nights' activities*. Those who pre-register by **April 3** will receive a **FREE Student Conference T-Shirt**. **We have made an agreement with Gresham area hotels for discounted accommodations and a few free "sleep on the floor" local church arrangements (see enclosed budgeting sheet)**. Everything you need to register is in this packet.

**Encourage your students to invite their non-Christian friends**. We will have several breakout electives to choose from this year that will be of interest to both believers and non-believers. We will offer breakouts for adult youth leaders as well. Each General Session will offer an opportunity for non-Christ followers to make Christ Lord of their life.

This is a short event in time but will have a lasting impression on your students. If you are traveling a long distance, I would encourage you to make the most of your trip. Maybe work with a local church or ministry and allow your kids to serve Saturday evening or Sunday morning. Or maybe attend a local church and encourage or serve them while you are there. If this is something you are interested in please feel free to reach out and I will connect you the best I can. Looking forward to having you.

See ya there!
