

# Japan 2021

July 21 - August 2, 2021

NWBC is partnering with ISF a mission organization that has 25 plus years of experience working in Global Sporting events like the Olympics.

**Cost of the trip is \$3500 which includes:**

- Airfare from Seattle
- Lodging
- Food
- Ground Transportation
- Basic Trip Insurance\*
- Administrative Fees

\*Participants will be provided an opportunity to upgrade their trip insurance to include trip cancellation at an extra cost. **There is a \$250 non refundable deposit at registration.**

## Registration Begins June 1

In 2021 the Northwest Baptist Convention will provide an opportunity for individuals to partner with the International Sports Federation and work along Japanese churches during the Olympic Games. The Japanese people are the 2nd largest unreached people group in the world. Our team will be doing Open Crowd Festivals to engage Japanese people from the surrounding community. There is also an opportunity if there is enough interest for us to conduct some sports clinics (baseball, volleyball, basketball). We need coaches, former players, current players in these sports to help lead with other volunteers assisting. So if you have an interest in going on the trip leading a sport clinic or assisting in leading one please contact David Gass at [dgass@nwbaptist.org](mailto:dgass@nwbaptist.org).

# TOKYO

**To Register:** <http://www.sportsmissions.com/trip-payment/>

**Team Name:** NWBC David Gass Leader

**Payments:** can be made by credit card or through your bank account

## **More Trip Details**

All payments for your trip will be made directly to the **International Sports Federation** through their website or by mail. You may pay for your trip in full or you will be able to make payments based on the timeline they provide. Keep in mind that along the way ISF must make deposits on hotels etc and is working for you. If you cancel your trip you will likely forfeit any amount of deposit ISF pays on your behalf along with administrative fees. *It is important you know this before registering.*

Following your trip registration you will be asked to register in **Managed Missions**, a program ISF uses to keep lines of communication open, but as Team Leader I will have access to the Team to check your status.

We will have one or more **training sessions** in addition to occasional **Zoom** meetings to discuss the trip.

## **Raising Support**

**START NOW!**

I recommend you raise funds through church supported events, (pancake breakfasts, spaghetti dinners, garage sales car washes, special offerings) write letters to friends and family, set-up a GoFundMe page etc. ISF also will provide several ideas for raising support for the trip.
